

Litestone

The Litestone range of planters are made from GRC – A blend of fiberglass and cement applied using a special technique to ensure strength and longevity. Its lightweight nature makes it perfect for balconies, deck areas and rooftop gardens.

Coffee

IMPORTANT PLANTING INFORMATION

Good drainage is essential to ensure the planters longevity (and your plants will thank you too!). Pot feet are required to elevate the planter, allowing it to drain freely and avoiding additional moisture in the bottom of the planter. These pots are to be used as a planter only. They are not recommended as a water feature and cannot permanently sit in water. Please check instore for stock levels. Lead times may apply.

OPEN 9-5pm Mon-Sat | 12-14 Drake Street, Osborne Park, WA **P** (08) 9443 7993 **E** team@wgoutdoorlife.com.au
